USPA NEWS - Message from Chairman Pakistan Tehreek-e-Insaf, Imran Khan, during a meeting with his legal team - 19 August 2025

“My message to the entire nation, to my workers and to the party leadership is that your captain is still standing tall with his head held high. Have no fear.

I pay tribute to the party leaders and workers who, after the 5th of August demonstrations, once again took to the streets across the country on the 14th of August.

Whether it is arrests carried out during the recent protest movement, or the unjust sentences handed down by kangaroo courts in cases related to the false-flag events of May 9th (2023), this is fascism. Despite this, you must not lose courage in any circumstances. You must stand steadfast in the face of this storm of oppression and brutality.

Even while confined to a solitary confinement cell in this prison, I am fighting for the true freedom of my nation, and I will continue to stand firm until I free my people from the chains of slavery.

I have yet again been placed under complete isolation. Meetings with my family and lawyers have been suspended. In order to keep me entirely cut off from the outside world and unaware of current affairs, every source of information, whether television or newspapers, has been completely blocked. The same inhumane treatment is being meted out to Bushra Bibi;

even our meetings are prohibited. Out of the dozens of books sent by my family, only four have been provided to me in the last two months; the rest have been confiscated. Even access to my personal doctor has long been denied, such that my basic right to healthcare has also been taken away.

We must not, under any circumstances, bow our heads down before tyranny and oppression. Remember: No matter how long and dark the night may be, dawn is certain to break. The end of this night of oppression is near. God willing, the sun of justice and freedom will soon rise.

The loss of precious human lives throughout the country due to the torrential rains and flooding is extremely tragic. The entire nation must actively participate in the rescue and relief efforts during this difficult time.”
